Dr. Daniel Schneider D.C. brings 40 years of experience to Wedgewood Office Park. Dr. Schneider specializes in the treatment of chronic back pain and related symptoms such as headaches, bulging discs, numbness and sciatica. As a Doctor of both Chiropractic and Naturopathic Medicine, Dr. Schneider treats the whole patient. He has had particular success with more serious cases, including failed back surgeries.

Dr. Schneider has lived in Powell for the past nine years, having moved here from Indiana to be closer to his daughter and her family. His son is also a successful Chiropractor in Elkhart, Indiana. Prior to moving to Wedgewood Office Park, Dr. Schneider had divided his practice between Powell and downtown Columbus. By moving to Wedgewood Office Park, Dr. Schneider can work closer to home while at the same time serving Powell's growing population.
